Suggested Title: Reporting Conference Relationship Changes

Discipline Paragraph: 634

Financial Implications: None

Agency Name: General Board of Pension and Health Benefits

Amend ¶634.2 by adding the following to the end thereof:

x) To report in a timely manner any change in the conference relationship of a clergy member of the conference to the conference board of pensions.

RATIONALE: Because conference relationship changes often involve benefit changes, conference boards of ordained ministry should provide timely and accurate information about such relationship changes to conference boards of pensions, who then can better administer clergy benefit plans and provide helpful information to affected clergy for their necessary decisions.
